## Did You Know?

[Edit](#)

**Personal Quote:** I know that when I play Joan and she's going to react a certain way, I have to remember that she can only behave this way because the men at work wouldn't want her to act this way, or it's only appropriate to act this way, or a lady would do this. It's become so natural to me to look at the scripts of [Mad Men](#) (2007) in that way that I immediately almost become a woman of the 60's in my mindset. [See more](#) »

**Trivia:** Although known as a redhead, Hendricks is a natural blonde having dyed her hair since she was 10 years old. [See more](#) »
