

WEBCAMS LE LIORAN

Nouveau : la webcam en direct !

Centre station

The image is a screenshot of a VR application interface. At the top, a dark bar displays the date and time '10/02/2016 14:49' on the left, and social media sharing icons for Google+, Twitter, and Facebook on the right. Below this, a light blue bar contains the text 'Centre Station' on the left and a 'Loading ...' indicator with a circular progress icon in the center. The main area is a wide, panoramic view of a snowy mountain landscape with a large crowd of people, a cable car, and a modern building. On the right side of this area, there are several small, semi-transparent icons for navigation and interaction. At the bottom, a dark bar features a 'Menu' button with a plus sign and a list of time-based thumbnails (14:00, 16:00, 10:00, 12:00, 14:00) for different scenes. The bottom right corner includes a logo for 'SWAPMYRIDE' and the text 'PANORAMA CRÉÉ AVEC LE LOGICIEL autopano'.
