

## The Guide to Sleeping in Airports

Are you stuck in the airport? Do you have a long layover?  
 Would you like to save money on an airport hotel by sleeping in the airport?

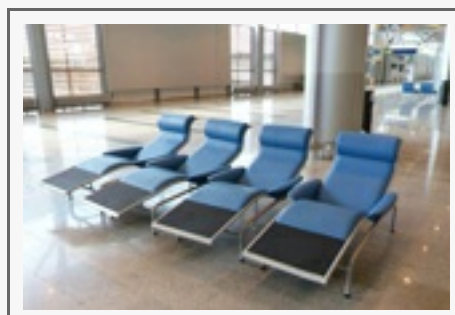

Sure, it may sound a little cheap and degrading at first, but read-on and you'll soon discover a travel community that shares their experiences and advice with fellow airport sleepers.

Airport sleeping is no longer just for the cheap young backpacker. Nowadays, early morning flights, long layovers, flight cancellations, snow storms and erupting volcanoes are just a few reasons why you'll see travellers from all walks of life stretched out on airport floors around the world.

Whether you sleep in an airport overnight by choice or you just get stuck in the airport due to a layover or weather delay, let The Guide to Sleeping in Airports help make your travel experience more tolerable.

Explore our **airport guides** and read **airport reviews** from travellers who survived the dreaded airport sleepover!
