

Correction - Amazing things we get back if we leave EU - 26/7/2016

On 20 May 2016 we published a gallery headlined 'Amazing things we get back if we leave EU'.

The gallery was formed of 11 images. Each image carried a caption. The captions for images 3 (eggs), 5 (jam), 6 (water) & 9 (swedes) were inaccurate. In the case of caption 3 (eggs), the caption claimed that "A dozen eggs: In 2010 the EU said that food could not be sold by number but by weight". In 2010 the European Union was considering legislation governing food labelling. In June 2010 Renata Sommer the MEP responsible for steering the legislation confirmed "There will be no changes to selling food by numbers". In fact a consumer who purchased eggs in the UK would be able to do so by number. Caption 3 (eggs) was therefore incorrect. Given that 4 of the 11 captions were incorrect this gallery has been deleted.
