★★★★☆ **Henry's poor cousin!**
By Jason Mathews on 22 April 2017
Style: Henry Vacuum Cleaner | **Verified Purchase**
I bought this Henry because, about 8 years ago, I bought an Henry (which my ex wife kept when we split 6 years ago) and it was absolutely great.
However, this seems like Henry's poor cousin!
I seem to remember my last Henry having a second switch for usage at half suction, where with this one, you have to turn the red plastic band on the top of the tubing and extend outwards the brush on the suction plate, I have carpet tiles in some areas and ordinary carpets, tiled areas in others, it works well on smooth and fitted carpet areas with great suction.
The problems I discovered are these, because of there being no proper suction control, It isn't great for carpet tiles, the tubing has an awful habit of moving around and coming apart when in use, suction head isn't great either, it has one castor instead of two and feels awkward and unwieldy and I find myself having to constantly drag this vacuum cleaner along because the main wheels are useless and the main body has a habit of snagging on furniture because of the poorly designed wheels.
So, if you want a vacuum with powerful suction for usage in large open spaces with either carpet or hard floors, it's great, for the home, it's a big disappointment and I find myself missing the cheap Bissell that I had before.

★★★★☆ **Great product**
By B. Scott on 17 Mar. 2017
Style: Henry Vacuum Cleaner | **Verified Purchase**
FANTASTICI BEST VACUUM CLEANER EVER! All others pale in comparison! I don't know what people are going on about with the adapters either? as they are fine with ours. We've had this a while now and still don't need to change the hoover bag. So ok it costs more than the others but its so worth it. We've had cheap hoovers and they've made us physically sick from the dust fumes.

★★★★☆ **hooray for henry**
By Shirley on 12 Mar. 2017
Style: Henry Vacuum Cleaner | **Verified Purchase**
I had a henry, combined washer for years, until it just stopped working!
Replaced it with this one, & it is brilliant!
Don't spend loads of money on dysons
Get one of these! The best vacuum I've ever purchased!

★★★★☆ **A very powerful machine**
By F. Devlin on 24 April 2017
Style: Henry Vacuum Cleaner | **Verified Purchase**
At work the cleaning staff use Henry and I knew they were good machines which is why I bought this one for my house. However, this one is much more powerful than any of the vacuums we have at work. It is so powerful that it is quite hard to push across the carpets. I used it with a sanding machine and not only did it suck up all the dust - I stuck to the wall. Even so, I wouldn't change a thing about him and to top it all he is A rated!

Our Henry vacuum of 20 years gave up so we bought another and found it is even more powerful than the original one. Hope it lasts as long.
Full marks for the delivery promise, it arrived as expected.

★★★★☆ **I have to say I love old style henry more than this one**
By Reiko on 13 April 2017
Style: Henry Vacuum Cleaner | **Verified Purchase**
I have to say I love old style henry more than this one. There are just too many joints! Feels like dragging someone has no bones. I know it doesn't sound appropriate, but I really can't find another way to describe it. Part of that, it works ok, so only 3 stars this time x

★★★★☆ **"Henry" has no rivals**
By MR PETER F TOWNSEND on 5 April 2017
Style: Henry Vacuum Cleaner | **Verified Purchase**
When it comes to clearing up dust and rubble from building work that we have been having done "Henry" has no rivals. Even in the reduced power version as dictated by EU regulations it still reigns supreme.
