Afflecking (/define.php?term=Afflecking)

Shutting down **discussion (/define.php?term=discussion)** on an important **topic (/define.php?term=topic)** by shouting the word "**racist (/define.php?term=racist)**" where it doesn't belong.

"The world has an increasing problem with Islamic extremism, but before we discuss it, it's important to distinguish between criticism of Islam as a set of ideas and bigotry against Muslims as a **people (/define.php?term=people)**."

"You can't say that! It's gross! It's **racist (/define.php?term=racist)**!"

"Woah, what's that guy's problem? Nothing I **just (/define.php?term=just)** said had anything to do with race."

"Don't mind him, he's just Afflecking."

afflecking (/define.php?term=afflecking)

'afflecking: Publicly wallowing in moral disgust and righteous indignation **rather (/define.php?term=rather)** than criticizing ideas on their merits. Publicly accusing someone of being **racist (/define.php?term=racist)** because they criticize a religion or an **ideology (/define.php?term=ideology)** is an example of afflecking.

I **tried (/define.php?term=tried)** to **reason with (/define.php?term=reason%20with)** her but she **just (/define.php?term=just)** kept afflecking.

afflecking (/define.php?term=afflecking)

Completely ignoring a reasonable argument from someone you disagree with, only to interject with an emotionally **charged (/define.php?term=charged)** accusation that the speaker is being gross and **racist (/define.php?term=racist)**, when in fact they are being **neither (/define.php?term=neither)** gross nor racist.

Afflecking (/define.php?term=Afflecking)
