

Management Team

Ido Li On
Chief Executive Officer

Ido has spent over 16 years in the information security industry, serving as a security researcher and consultant to financial institutions and defense institutions. In 2011, Ido co-founded NorthBit, a cyber-security consultancy firm recently acquired by Magic Leap. In 2017, Ido co-founded CTS Labs.

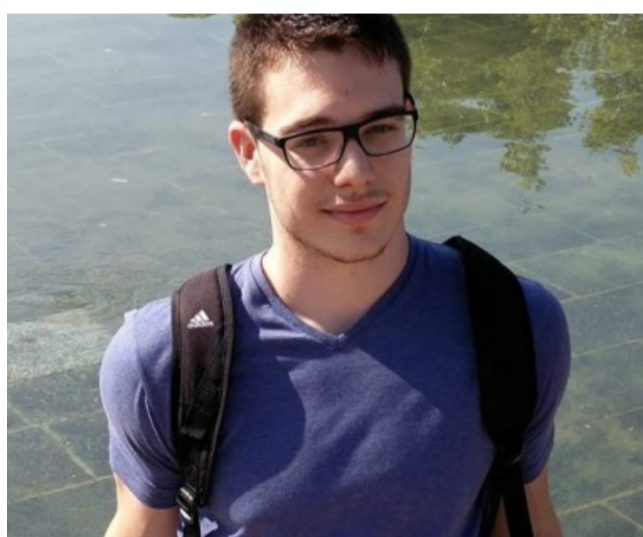

Yaron Luk-Zilberman
Chief Financial Officer

Yaron co-founded CTS-Labs in 2017, and previously served as an intelligence analyst in the Israeli Intelligence Corps Unit 8200. He is also the founder and Managing Director of NineWells Capital, a hedge fund that invests in public equities internationally. He holds a B.A. and M.A. from Yale University.

Ilia Luk-Zilberman
Chief Technology Officer

Ilia has spent over 12 years in the security industry industry, primarily in Chief Technology Officer or Chief Executive Officer roles. He previously served in the Israeli Intelligence Elite Technological Unit. In 2017, Ilia co-founded CTS Labs.

Uri Farkas
Vice President
Research & Development

Uri is an experienced technologist and entrepreneur, specializing in embedded research. He has focused on reverse engineering, security research, building MVPs, machine learning and deep learning. He previously served as a security researcher for the Israeli Intelligence Corps Unit 8200.
