Order Industrial Fasteners & Supplies Online

Since 1947, Mutual Screw & Supply has been a leader among distributors of world-class industrial fasteners and related accessories. We have a large selection of screws, nuts, and bolts and safety products from today's top brands, including 3M, Starrett, and Irwin, in addition to an ever-expanding inventory of tape, washers, rivets, drill bits, and other fasteners available online. Above all, we're committed to maintaining our position as a top fastener supplier by giving our customers the best service possible. That's why we also offer a number of value-added services such as shipments from over 20 locations throughout the United States, blanket contracts, custom manufacturing, custom packaging, air shipments, and so much more. Contact us today!
