bcesards Approachable, yet challenging to grasp. Favorite track: Handmade Cities.

D³ Great instrumental prog album. Many great melodies and solos with the classic Plini overarching theme here I picked Every Piece Matters because at the most recent show everyone in the crowd sang along to it and it was

just a great moment. Favorite track: Every Piece Matters.

The Bear Love their transitions, time changes and instrumental riff's. Kinda reminds me of Humphrey's McGee. JAM-Bands are sooo good!
