Kim Jong Un of North Korea, who is obviously a madman who doesn't mind starving or killing his people, will be tested like never before!

Let's get it straight, I do not LOVE Kim Jong Un. Only in that he is one of Gods children. He is in fact a madman. Just to be clear.

What's anti-American is that you believe it's anti-American to oppose US President (arguably). I'm not standing behind him. He's no leader.

I'd say, that if you want a country were citizens are required to stand behind their "elected" official blindly, consider NK or even Russia.
