## NSK1380

**\$159.95**

NOT AVAILABLE    [WHERE TO BUY \(HTTP://STORE.ANTEC.COM/WTBUY\)](http://store.antec.com/wtbuy)

### SMALL ON THE OUTSIDE, BIG ON THE INSIDE

the inside is spacious enough for your microATX motherboard, up to 4 full height PCI expansion cards, and 4 drive bays. The NSK1380's power supply is 80 PLUS® certified, ensuring that it consumes less electricity and saves you money on your power bill, with no reduction in quality performance! This case is so versatile that it can be used as a multimedia PC for your living room, a desktop PC for your office, or even a mobile gaming box for your next LAN party.

### ENERGY SAVING

The Antec NSK1380 comes equipped with a highly efficient 350 Watt power supply with 80 Plus certification. Not only does it save power, but it saves money on your power bill!

### TRIPLE LAYERED PANELS

The Antec NSK1380's triple layer panel design increases sound dampening to effectively quite your machine to the sound of a whisper.

### SMALL SIZE

The Antec NSK1380's small size makes it ideal for any size workspace and gives portability to a full powered desktop PC.
