supported by

- zzzptm *"Desert Cruiser" can be used as a definition for "Desert and/or Stoner Rock". This is one of the monuments of the genre. Behold its might and glory. Favorite track: Desert cruiser.*
- Gatsu80 *An essential item in every stoner collection. Powerful and relentless. Favorite track: Desert cruiser.*
- Tidou *A not so young album, but continue to be on heavy rotation on my platine, surely one of the best!! Favorite track: Momentum.*
- Stephen O' Connor *Huge sounding stoner rock, like Qotsa on Steroids Favorite track: Desert cruiser.*
- Steve Rodger *Excellent that Truckfighters are now available on bandcamp, this is my fave' album of theirs and nine years after it was released it's still a genre classic.... Favorite track: A. Zapruder.*
