supported by

- @KillTheBuddha *Great finish of an intoxicating soundscape trilogy.*
- pC *Much more mellow and soundscaped focus than the previous two Globes, V3 is the end of a sweet drive down Space St. and Cosmic Ct. Top two for me is "Automatic" with its minimal electronic drive for maximum push, and "Cult" for its slow burn-out finale of synth sirens and locked-groove bassline. Favorite track: Cult.*
- Ian *Lovin the synth Favorite track: Yellow Ferrari (feat. Mystery Skulls).*
- Shaun Byrne *An amazing finale to what I believe to be the final volume making this his Globe Trilogy. It's so hard to choose a favourite track as they are all great! Favorite track: Automatic.*
- sputnikbeepboop *Been a fan of Furi and its amazing soundtrack for a while, finally decided to check out the rest of your work, I was not disappointed. Favorite track: Spaced.*
