supported by

Elijah Stephenson *One of the greatest tracks ever made. Favorite track: intro.*

chillhopper *this whole tape is instant healing. goes so deep. damn. Favorite track: outdoorsy.*

th_eeb *I wish I got the cassette when it was available... this album got me into the whole genre. If someone has one to sell - please contact me, I have my e-mail on my profile. Doubt someone would be willing to monetize it though. Favorite track: again.*
