The glorious nation of Mystopia presents the Troupe Laureate's debut record: carefully out of Nowhere

A twelve-track odyssey of chamber orchestral folk fusion. Humbly poetic and quietly hopeful, carefully out of Nowhere muses on the countenance given amidst the darkness and the curiousness of beauty found therein.

Guzheng improvisations by Zhao Liang
Percussion by Jack Thomson
Recorded & Mixed by Joseph Cheek at Island Recording Studios in Adelaide Australia

- Woven *Fresh melodies lingering on in my head, nice arrangements. nice use of the Guzheng!*
- terrimoon *Listening to this makes me smile! This album is so artfully crafted, full of honesty and whimsy. I love the way it reminds me of beauty, life, truth, hope. Beauty that may have been forgotten or lost, but here it is again, out of Nowhere. The poetry and vocals are top notch, and the creative instrumentals make it come alive!*
