Medium and Long-term Strategic Skills List (MLTSSL) Australia

Visa Bureau is not affiliated with the Australian Government but is an independent UK company. On **18 April 2017** the **Skilled Occupation List (SOL)** was replaced by the below **Medium and Long-term Strategic Skills List (MLTSSL)**.

In order to qualify for skilled migration to Australia, you must nominate an occupation from the **Medium and Long-term Strategic Skills List (MLTSSL)**. However, if you are applying for skilled migration via nomination by a State or Territory Government, you have the option of nominating an occupation from the **Short-term Skilled Occupation List (STSOL)**.

Please note that all occupations used for immigration purposes are from the **ANZSCO** (Australia and New Zealand Skilled Classification of Occupations).

Understanding which Occupation List to use

If you apply for a General Skilled Migration visa and you are **NOT** nominated by a **State or Territory Government**, you must nominate an occupation from this **Medium and Long-term Strategic Skills List (MLTSSL)**.

If you apply for a General Skilled Migration visa and you are **ARE** nominated by a **State or Territory Government**, you must nominate an occupation from either this **Medium and Long-term Strategic Skills List (MLTSSL)** OR the **Short-term Skilled Occupation List (STSOL)**.
