brinkleydavies To all my wildlife lovers. Pinnipeds are extremely close to my heart, my first volunteer roles in wildlife rescue were with rescued seals and sea lions and I have an important message and mission for you all.

From my friends at [@coextinctionfilm](#) .

👁️ SAY NO TO SEAL/SEA LION CULLING
👁️

On Friday (Dec 14), the Washington Fish and Wildlife Commission is hosting a meeting to discuss the possibility of a seal and sea lion cull (mass killing) in the Salish Sea. On top of that, the U.S. Senate voted unanimously to pass the Endangered Salmon Predation Prevention Act (S. 3119). The legislation will change the Marine Mammal Protection Act (MMPA) in order to lethally remove up to 1,000 seal lions at the
