supported by

-  **GMagi** *Incredibly technically executed, and composed; assembled- principle discipline and an album experience. Favorite track: Oh, god..*
-  **Jevon Wright** *This is one of the most incredible albums I've heard off of Bandcamp. Wow. Favorite track: Push it way up!.*
-  **Inflaymes** *Not only have I followed Cloudkicker for many years, to open up my new Beacons vinyl album only to find my Firefighting crew from Andersen A.F.B., Guam on the inner sleeves working Korean Airlines crash, Flight 801 for 14 hours!! This was almost surreal, much like the album!*
