RED FANG deals in kick-ass heavy rock. On their Chris Funk (DECEMBERISTS) produced, Vance Powell (KINGS OF LEON, WHITE STRIPES, RACONTEURS) mixed Relapse debut *Murder the Mountains*, the quartet waves a middle finger at fashion and bet the proverbial house on substance over style. The incredible "Wires", "Number Thirteen", "Hank Is Dead", and "The Undertow" are just a few of an onslaught of highlights on this front-to-back set of great f%\$king songs.
