

# WeWork's CEO Makes Millions as Landlord to WeWork

Adam Neumann has bought properties and leased them to his co-working startup, sparking conflict of interest concerns

By *Eliot Brown*

Jan. 16, 2019 7:00 a.m. ET

For more than two months after employees at International Business Machines Corp. moved into a Manhattan building managed by office space giant WeWork Cos., frequent elevator problems forced workers to climb the
