Pure sound, wired or wireless

With deluxe FloatingCushions

- On-ear
- Black

Sound isolating super soft ear cushions

The deluxe super soft ear cushions enable you to wear your headphones for as long as you like without discomfort.

Natural comfort fit from deluxe memory-foam FloatingCushions

The newly innovated deluxe FloatingCushions design of these Philips headphones allows for full multi-directional, auto-adjustment of the cushions, without the need of the traditional C-hinge construction. This results in a seamless design, which ensure optimum stability by applying an evenly distributed pressure force onto the user's head and ears. Therefore creating a strong ownearable story with regards to comfort and fit.

Digital enhancement reveals hidden notes and nuances

Booming & superior bass from high performance drivers and digital enhancement.
