With Fitness+, that information is synced to your iPhone, iPad, or Apple TV in real time to keep you motivated and engaged.

A milestone in motivation. At key moments, your metrics will come to life on the screen, like your heart rate or Activity rings. And when you close a ring, it animates to celebrate your effort. It's the perfect blend of information and inspiration, right when you need it.

A little healthy competition. For certain cardio workouts, the Burn Bar is there for an added push if you want it. It shows how you stack up against everyone in that particular workout. That's even more go for your goals.

## Smart suggestions do the heavy lifting for you.

Apple Fitness+ offers intelligent recommendations for workouts based on the things you typically do with the Workout app on Apple Watch, as well as your favorite apps that work with the Health app. Fitness+ even suggests new trainers and workouts to help you round out your routine.

## Less time searching. More time sweating. Choose

the workout type you want. Select a duration as short as 5 minutes or as long as 45 minutes. Pick your favorite trainer and type of music that's perfectly tailored for the routine. Boom, you're off and running.

## Our bodies were made to move. Here are the

**instructions.** For those who have a specific challenge in mind, Apple Fitness+ offers a series of workouts designed to help you accomplish your goals. If you're new to exercise, there's the Workouts for Beginners program. For expectant moms, there are Prenatal Workouts. And for older adults, there's a program for active aging users.
