this. This morning 5 members of the Common law Information Centre along with Joe's wife Una arrived at the hospital. Paperwork was produced to the people in charge. Antonio " the Italian job" along with Una Mcarron went to the ward and asked him if he wanted to leave the hospital. He said yes and left immediately in the company of several members of the Common law Information Centre. As you see in the video Joe is in fine fettle now. This should be a warning to everyone, stay clear of ICU if you want to stay alive. :tom:dignam. pro.

Mais en lisant bien, on y retrouve les marqueurs des « arguments commerciaux pseudo-juridiques organisés » dont je vous avais parlé dans ce thread sur les citoyens souverains.

Bref, ça n'a aucune valeur. [↗](#)
