Parmi les choses essentielles qui devraient obséder le débat public mais n'y ont hélas aucune place :

- Le métaverse de Facebook
- L'IA et ses conséquences géopolitiques
- Le système de crédit social chinois

Tout à fait nous sommes à un changement de culture qui est du même ordre que celui du passage d'une culture orale à une culture écrite.

La fonction éditoriale (université, journaux, politique dans le sens les discours accessibles) ne fonctionne plus. Lui trouver un remplaçant+
