## How does one find brothels in Belgium.

Hi my good buddy lives here half year and keeps bringing up the question, how can I find some places in Vlaanderen?

Your "buddy" sounds shy. Great that he's got "buddies" like you.

I'd say Tinder is cheaper, but I paid about 150 bucks for a first date last night.

Who the fuck spends a 150 bucks on a first date knowing it might not go anywhere?! Did you buy her the whole food menu hahah. I hope the date went well or what a waste of money.

If you have patience, like tons of it, then yes tinder can be something.

Translation: I'm horny as fuck and haven't had sex in fornever. Where can I locate a decent brothel that won't make my dick fall off? I'm too embarrassed to ask via my anonymous reddit account so I'll pretend I'm asking on behalf of my friend.

Can't help you, bro. Maybe ask Dad or Opa?

hahhaha I knew this would happen, but must take care of my friend... it is a civilized question even if you decided to get offended by it... which is weird... as people mostly get offended by statements and not questions...
