@laurentduval

Can you solve $230 - 220 \times 0.5 = \dots$. You probably won't believe that the answer is 5!

KJ Cheetham ❄️ #FBPE 💎

@kj_cheetham

A maths meme that is actually funny rather than stupid:

Solve carefully!

$$230 - 220 \times 0.5 =$$

You probably won't believe it but the answer is 5!
