Male High School Athletes vs Female Olympians

If boys win against the fastest women, is it fair for males to compete in female-only athletic events? ([What about transwomen & HRT?](#))

## Track & Field

2016 High School Boys NBNO Finalists vs 2016 Olympic Women's Finalists

Events common to both competitions are included below. The [NBNO](#) is a highly competitive national track and field event where thousands of high schoolers compete. The hammer, discus & javelin competitions were not included because of significant differences in the weights of the objects. Hammer: boys [5.4kg/12lb](#) vs womens [4kg/8.82lb](#); Discus: boys [1.6kg/3.5lb](#) vs womens [1kg/2.2lb](#); Javelin: boys [800g/1.76lb](#) vs women [600g/1.3lb](#)

### 100 Meters

Boys ■ vs Women ■

2016 High School Boys NBNO Finalists vs 2016 Olympic Women's Finalists

None of the women's finals performances met the qualifying time to enter the boys' competition.
