Passenger Locator Form

If you plan to travel to Belgium **or return to Belgium after a stay abroad, you are required to:**

- read the latest travel advice.
- fill in a Passenger Locator Form (**within 6 months of your scheduled arrival in Belgium**)

Who has to fill in this questionnaire?

You have to fill in the Passenger Locator Form **within 6 months before** your arrival in Belgium, even if you are fully vaccinated. The PLF must be filled in by **anyone travelling directly or indirectly to Belgium, except:**

- if you are staying in Belgium for **less than 48 hours**;
- if you have been **abroad for less than 48 hours**.

ATTENTION : You must **ALWAYS** fill in the PLF in the following cases, **whether or not you are staying in Belgium for less than 48 hours or you were abroad for less than 48 hours:**

- you are travelling to Belgium **by air or by sea**;
- you are travelling to Belgium **by train or bus from a country outside the EU or the Schengen area** (e.g. Eurostar from the UK);
- you have **stayed in a very high risk country during the last 14 days**

Add certificate

If you add a certificate, several fields of the PLF will be filled in automatically.

You can add a certificate by scanning the QR code of your Digital Covid Certificate (DCC) or by uploading a certificate. This is not mandatory: you can also fill in the PLF manually.

[Click here to add a certificate](#)

In case there is a change in your place of residence

If, upon arrival in Belgium, you are invited to get a COVID-19 test and would change your place of residence during the next 14 days, please inform us of this change by e-mail at PLFBelgium@health.fgov.be.

[Information regarding the Covid-19 health guidelines is available on www.info-coronavirus.be](http://www.info-coronavirus.be) .

Certificates

Do you hold any of the following certificates? *

- Vaccination certificate
- Negative test certificate
- Recovery certificate
- None of the above

For more information on the accepted certificates and how to travel safely to Belgium, visit: [How to stay safe while travelling abroad | Coronavirus COVID-19 \(info-coronavirus.be\)](#)

- A vaccination certificate proves that you have been fully vaccinated against COVID-19. You are fully vaccinated 2 weeks after your last vaccination dose and if the vaccine is EMA-certified.
- A recovery certificate shows that you have recovered from COVID-19. You have a positive PCR test result no older than 180 days and you no longer need to quarantine.
- A test certificate is proof of a negative COVID-19 PCR test result.

I hereby declare that above-mentioned information has been filled in correctly.
