

European Union Individuals

Right to Withdraw Consent under GDPR

If you are an individual located in the E.U. you have the right, at any time, to withdraw your consent if you previously provided a controller with your consent to process your personal data. If you previously provided your consent to allow cookies on your browser, you can choose not to allow some types of cookies. You may withdraw your consent to our use of non-strictly necessary cookies through Reuters.com by clicking on the “Show Purpose” button below. However, if you disable the use of cookies in your browser, it may impact your experience of the site.

Please also note that withdrawing your consent may not mean you will stop seeing advertisements, and that you cannot opt-out of strictly necessary cookies that are required. For more information about your rights as an individual located in the European Union, please see our [Privacy Statement](#)

Information Our Partners Collect

We want to be transparent about the data our partners collect and how we use it, so you can best exercise control over your personal information. [We use the following partners](#) on Reuters.com. In accordance with our [Privacy Statement](#), they may use cookies and other mechanisms to, among other things, connect you with your social networks and tailor advertising to better match your interests. You can elect to opt-out of this information collection by [clicking here](#)

We process your data to deliver content or advertisements and measure the delivery of such content or advertisements to extract insights about our website. We share this information with our partners on the basis of consent and legitimate interest. You may exercise your right to consent or object to a legitimate interest, based on a specific purpose below or at a partner level in the link under each purpose. These choices will be signaled to our vendors participating in the Transparency and Consent Framework.
