Comment les gifs ont été ringardisés

Omniprésent sur Internet, ce moyen d'expression a fini par perdre de sa superbe. Au point d'être abandonné par les plus jeunes utilisateurs, ...

Looking at the picture, you can see what Greenpeace accepts the least between fossil gas and nuclear energy...

The question is: who is sabotaging climate action, fighting against low carbon energies?

Greenpeace Österreich ❤️🔵 @GreenpeaceAT · Jan 20

France's president @EmmanuelMacron is lobbying hard to establish nuclear energy as a green investment within the EU #Taxonomy. But nuclear energy and fossil gas will never be sustainable.

This is sabotage of real climate action. Gas and nuclear have no place in the #EUTaxonomy!
