Get a **Single** mug for your barber Jerry.

# Single

A [wretched](#) state to be in when [you're in](#) love with someone who is in love with [someone else](#) / pretends that you don't exist.

I'm [single](#), and he's [in a relationship](#). [Woe is I!](#)

by [dead fluff](#) November 20, 2009

Get a **Single** mug for your barber Larisa.

## Single

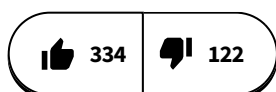

The best thing [in a relationship](#). There might be little disadvantages with being single but there are MANY [advantages](#) being single. [See below](#).

Some [advantages](#):

- You can go *WHEREVER THE HELL* you want to go
- One word: [Independence](#)
- You can have a crush on anyone
- No relationship fights and stuff
- I think there are more...

Some people say being in a relationship is the [happiest](#) thing for a person, but being single is just as equal to that.

by ~C March 15, 2009

Get a **Single** mug for your sister Riley.

## Single

A relationship status that is usually associated with the euphoria of being off your ol' [biatch's leash](#). For men, it means that you can finally hang out with your friends again. For women, it means that you can stop pretending that you don't secretly want Johnny Depp and [Orlando Bloom](#) inside of you at the same time.

"Hellz [yus](#) I'm single, let's go to a [strip joint](#) and stare at some titties!"

or

"Omg Katie, like, I'm single, and like, I just noticed that Brad Pitt is really [sexie!](#)"
