The Plot Against the King is the true story about the Russia Collusion hoax, written for children, by my friend @Kash. Live the tale thru the eyes of great characters like the handsome King Donald and Kash the Wizard. This story showcases how Hillary Queenton and a Shifty Knight tried to destroy our democracy, but truth and the MAGA King prevailed. Support this great patriot, educate our children, and put a copy in every school across our land. Order yours now at theplotagainsttheking.com !
