I am a teacher and interested in travelling abroad to Spain/Germany/Switzerland etc ad speak foreign languages. I have room for up to five people in my house, the smallest room costs less, the bigger ones more. I have had Spanish, German, English and Japanese even Finnish guests and many more =). I enjoy my life in Sweden in the winter by cooking rock 'nd roll, skiing in the north, hiking in the surroundings and athletics. I can always introduce my guests to my gym, one time Free! I go to gardening fairs in Scania, love Larssons trilogy, comedies and music- at the moment the becoming European contest, My interest in shopping is focused on vintage. I prefer jogging and nature, riding is for my daughter, climbing for my son and design and museums, cafés are on my list and I would like to show you Stockholm if you are looking for a guide or perhaps just company during your visit to our beautiful Old Town. My life motto is everything is possible. I welcome you to join to stay in our house! It is a great pleasure for me!
