 It's a scary moment when you realize the same three letter government organizations that targeted JFK and Dr. King are now after Trump.

 They were fine with them going after JFK & MLK. If the FBI raided Obama & not trump, you wouldn't hear a peep out of any of them about "precedent" it would be let the fbi do their job

 I want proof that they are doing Trump just like MLK and JFK.  
 Just like both of them 😏

 Um, what did the FBI do to JFK? I'm not sure what she is referring to.
