

Congrats to my former @Harvard bandmate @CarolynBertozzi on her @NobelPrize in chemistry! We won the Ivy League Battle of the Bands in 1986 with our rockin' group 'Bored Of Education', with her on keyboards & me in spandex.

news.stanford.edu
Carolyn Bertozzi wins Nobel in chemistry | Stanford News
Stanford chemist Carolyn Bertozzi was awarded the Nobel Prize in chemistry for her development of bioorthogonal reactions, which allow scientists to explore cells and track biological processes...

Congratulations, Carolyn!

(We may need photographic evidence of the spandex, Tom.)
