

# List of OAuth providers

[1 language](#)

[Article](#) [Talk](#) [Read](#) [Edit](#) [View history](#) [Tools](#)

From Wikipedia, the free encyclopedia

This page is a list of notable **OAuth** service providers.

| Service provider                 | OAuth protocol               | OpenID Connect |
|----------------------------------|------------------------------|----------------|
| <a href="#">Amazon</a>           | 2.0 <sup>[1]</sup>           |                |
| <a href="#">AOL</a>              | 2.0 <sup>[2]</sup>           |                |
| <a href="#">Autodesk</a>         | 1.0, 2.0 <sup>[3]</sup>      |                |
| <a href="#">Apple</a>            | 2.0 <sup>[4]</sup>           | Yes            |
| <a href="#">Basecamp</a>         | 2.0 <sup>[5]</sup>           | No             |
| <a href="#">Battle.net</a>       | 2.0 <sup>[6]</sup>           |                |
| <a href="#">Bitbucket</a>        | 1.0a 2.0 <sup>[7]</sup>      | No             |
| <a href="#">bitly</a>            | 2.0                          |                |
| <a href="#">Box</a>              | 2.0 <sup>[8]</sup>           |                |
| <a href="#">ClearScore</a>       | 2.0                          |                |
| <a href="#">Cloud Foundry</a>    | 2.0 <sup>[9]</sup>           |                |
| <a href="#">Dailymotion</a>      | 2.0 draft 11 <sup>[10]</sup> |                |
| <a href="#">Deutsche Telekom</a> | 2.0                          |                |
| <a href="#">deviantART</a>       | 2.0 drafts 10 and 15         |                |
| <a href="#">Discogs</a>          | 1.0a                         |                |
| <a href="#">Discord</a>          | 2.0 <sup>[11]</sup>          | No             |
| <a href="#">Dropbox</a>          | 1.0, 2.0 <sup>[12]</sup>     |                |
| <a href="#">Etsy</a>             | 1.0 <sup>[13]</sup>          |                |
| <a href="#">Evernote</a>         | 1.0a <sup>[14][15][16]</sup> |                |
| <a href="#">Facebook</a>         | 2.0 draft 12 <sup>[17]</sup> | Yes            |
| <a href="#">FatSecret</a>        | 1.0, 2.0 <sup>[18][19]</sup> |                |
| <a href="#">Fitbit</a>           | 2.0                          |                |
| <a href="#">Flickr</a>           | 1.0a                         |                |

|                                   |                           |                     |
|-----------------------------------|---------------------------|---------------------|
| Formstack                         | 2.0                       |                     |
| Foursquare                        | 2.0                       |                     |
| GitHub                            | 2.0 <sup>[20]</sup>       | No                  |
| GitLab                            | 2.0 <sup>[21]</sup>       | Yes <sup>[22]</sup> |
| Goodreads                         | 1.0                       |                     |
| Google                            | 2.0 <sup>[23]</sup>       | Yes <sup>[24]</sup> |
| Google App Engine                 | 1.0a, 2.0 <sup>[25]</sup> | Yes                 |
| Groundspeak                       | 1.0                       |                     |
| Huddle                            | 2.0                       |                     |
| Imgur                             | 2.0                       |                     |
| Instagram                         | 2.0 <sup>[26]</sup>       | No                  |
| Intel Cloud Services              | 2.0                       |                     |
| Jive Software                     | 1.0a, 2.0                 |                     |
| Kakao                             | 2.0 <sup>[27]</sup>       | Yes <sup>[28]</sup> |
| Keycloak                          | 2.0 <sup>[29]</sup>       | Yes <sup>[30]</sup> |
| LinkedIn                          | 2.0 <sup>[31]</sup>       | Yes <sup>[32]</sup> |
| Microsoft services <sup>[a]</sup> | 2.0                       | Yes                 |
| Mixi                              | 1.0 <sup>[33]</sup>       |                     |
| MySpace                           | 1.0a                      |                     |
| Netflix                           | 1.0a                      |                     |
| NetIQ                             | 1.0a, 2.0 <sup>[34]</sup> | Yes                 |
| Okta                              | 1.0a, 2.0                 | Yes <sup>[35]</sup> |
| OpenAM                            | 2.0                       |                     |
| OpenStreetMap                     | 1.0a, 2.0 <sup>[36]</sup> |                     |
| OpenTable                         | 1.0a                      |                     |
| ORCID                             | 2.0 <sup>[37]</sup>       |                     |
| PayPal                            | 2.0                       | Yes <sup>[38]</sup> |
| Ping Identity                     | 2.0                       |                     |
| Pixiv                             | 2.0                       |                     |
| Plurk                             | 1.0a <sup>[39]</sup>      |                     |
| Reddit                            | 2.0 <sup>[40]</sup>       |                     |
| Salesforce.com                    | 1.0a, 2.0                 | Yes                 |

|                      |                           |                    |
|----------------------|---------------------------|--------------------|
| Sina Weibo           | 2.0                       |                    |
