

## Open Flood

A simple but addictive flood fill game

Open Flood is a simple, challenging and addictive puzzle game where you must fill the entire game board with a single color in less than the maximum number of steps allowed.

## Versions

Although APK downloads are available below to give you the choice, you should be aware that by installing that way you will not receive update notifications and it's a less secure way to download. We recommend that you install the F-Droid client and use that.

### DOWNLOAD F-DROID

**Version 1.3.5** (12) suggested Added on Jan 29, 2017
