Oops!
My bad, Indy.
Eye hadn't read the fine print on the sign nor noticed the tartan.

@fenkt We never ask what folk wearing. Saw a funny description of religious folk with unnatural interest in what up others skirts or inside their trousers - an evangenital...

What happens when wind speeds are below 25 mph?
Does the underwear have to be worn over the kilt then?

Playboy Magazine, circa 1964

A studly guy (at least in his own mind) is trying to chat up the hot babe at a bar

He: I'm Scottish !!
Her: so?
Him: We Scots are so tough we play golf in the snow - we have red balls !

Her: must be those silly kilts you wear

I did say 1964 ?
