Mecha [[edit](#)]

This subgenre of vehicular combat involves mech robots, or **mecha**, as the vehicle for combat.^[*citation needed*] For most mech games, they are played in either first-person or third-person view style. Other games are based on popular **Anime** television shows such as the various **Gundam** series, *Robotech*, and *Evangelion*. Also, games with a mech theme are featured in RPG games such as *Xenosaga* and the *Front Mission* series.
