We use [cookies](#) and data to

- Deliver and maintain Google services
- Track outages and protect against malicious attacks
- Measure audience engagement and enhance the quality of those services

If you choose to "Accept all," we will also use your data to

- Develop and improve new services
- Deliver and measure the effectiveness of our advertising
- Show personalized content, like video recommendations
- Show personalized ads, depending on your interests

If you choose to "Reject all," we will not use any data beyond what is necessary to operate our site.

Non-personalized content and ads are shown based on your location (ad serving is based on your location) and other things like video recommendations, activity, like the videos you watch and data to tailor the experience to be age appropriate.

Select "More options" to see additional settings. You can also visit g.co/privacy.
