We all share a love for beautiful things, but everyone has different tastes. That's why AD uses technology to offer you personalized content on [admagazine.fr](#)

and keep you informed about the latest news—from décor trends to exclusive tours and exceptional design. These tools also allow third parties, especially our trusted partners in the fields of decoration, architecture, and lifestyle, to present advertising campaigns tailored to your interests. They also help our editors learn about your favorite topics and explore them in more depth. This is your opportunity to discover everything that inspires you in one place—and to contribute to the creation of AD's content.

We, and our [226](#) partners use cookies and similar methods to recognize visitors and remember their preferences. We may also use these technologies to gauge the effectiveness of advertising campaigns, target advertisements, and analyze website traffic. Some of these technologies are essential for ensuring the proper functioning of the service or website and cannot be disabled, while others are optional but serve to enhance the user experience in various ways. [Politique de Confidentialite](#)

We, in collaboration with our partners, store and/or access information on a device and process your personal data, such as browsing data and device identifiers, for personalised advertising and content, advertising and content measurement, audience research and services development including by using precise geolocation data, and identification through active device scanning. You have the option to withdraw your consent or manage your preferences at any time by selecting the 'Your Privacy Choices' option located in the website footer. To review or object to instances where our partners assert a legitimate interest in utilizing your data, please visit our vendors page. Your preferences will apply only on this website.
