Posted 13 minutes ago. Dec 05, 2025 - 09:19 UTC

Monitoring A fix has been implemented and we are monitoring the results.
Posted 21 minutes ago. Dec 05, 2025 - 09:12 UTC

Update We are continuing to investigate this issue.
Posted 24 minutes ago. Dec 05, 2025 - 09:09 UTC

Investigating Cloudflare is investigating issues with Cloudflare Dashboard and related APIs.

Customers using the Dashboard / Cloudflare APIs are impacted as requests might fail and/or errors may be displayed.
Posted 37 minutes ago. Dec 05, 2025 - 08:56 UTC

This incident affected: Cloudflare Sites and Services (Dashboard).
