Native OCI Container Support in systemd

Track: Containers
Room: UA2.118 (Henriot)
Day: Saturday
Start: 12:50
End: 13:10
Video only: ua2118
Chat: [Join the conversation!](#)

OCI is many things, and soon it's a format systemd is going to understand somewhat natively. In this talk I want to explain the how, the why, and where we are going with this.
