@danmccullough It had it coming!

Happy new year, Dan!

@jesper_linnet It certainly did.

And to you!

@danmccullough Hope it didn't give them a stomach ache like it did me.

@Ponygirl 😂 That did occur to me. But the 25 was eaten late yesterday, and the 20 early this morning, so hopefully there was time to sleep it off!

@wovenmatter Squirrels will lead the way into 2026. (Oh, and mushrooms, but you're prepared for that!) 😊

@danmccullough

At first I thought you'd arranged for ants to eat lines of sugar on a white granite counter! Either way I find the idea delightful. 📅

@danmccullough

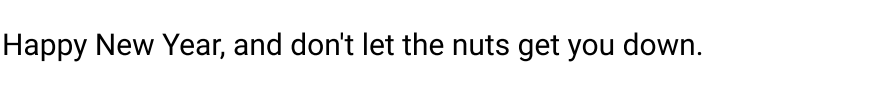

@superball Oooooooo... *jotting down notes for next year* 😂

@danmccullough Well, if I'd known it was that simple I'd have done the same in February.

Happy New Year, and don't let the nuts get you down.

@Karen5Lund It's not too early to get a headstart on 2026. Gathering seeds all ready.
