docs: Add CLAUDE.md for AI-assisted development

Herrie82 and claude committed 2 hours ago

fd2660b

📄 <>

docs: Add comprehensive device tree cross-check report

Herrie82 and claude committed 3 hours ago

b8c2d3a

📄 <>

🔗 Commits on Jan 13, 2026

ARM: configs: tenderloin: Split into minimal and debug defconfigs

Herrie82 and claude committed 17 hours ago

3d9f308

📄 <>

ARM: dts: qcom: msm8660: Move interconnect fabric nodes to base dtsi

Herrie82 and claude committed 17 hours ago

bee1980

📄 <>

gpu: drm: msm: z180: Fix build system for module support

Herrie82 and claude committed 17 hours ago

0d87e74

📄 <>

docs: Update interconnect requirements with USB status

Herrie82 and claude committed 19 hours ago

1a1c096

📄 <>

usb: chipidea: msm: Add interconnect support for USB HS

Herrie82 and claude committed 20 hours ago

59ca587

📄 <>

docs: Update interconnect requirements with Z180 status

Herrie82 and claude committed 20 hours ago

bc8f2f6

📄 <>

gpu: drm: msm: z180: Add interconnect support

Herrie82 and claude committed 20 hours ago

8ed6d26

📄 <>

gpu: drm: msm: z180: Add command stream submission support

Herrie82 and claude committed 20 hours ago

7a0fe49

📄 <>

gpu: drm: msm: Add Z180 2D graphics driver for MSM8660

Herrie82 and claude committed 20 hours ago

de659f0

📄 <>

docs: Update interconnect requirements with rotator status

Herrie82 and claude committed yesterday

530c434

📄 <>

ARM: dts: qcom: msm8660: Add rotator node

Herrie82 and claude committed yesterday

ce7c48b

📄 <>

media: qcom: rotator: Add image rotator driver for MSM8660

Herrie82 and claude committed yesterday

a7ea301

📄 <>

docs: Update interconnect requirements with VIDC status

Herrie82 and claude committed yesterday

636b127

📄 <>

ARM: dts: qcom: msm8660: Add VIDC video codec node

Herrie82 and claude committed yesterday

280331c

📄 <>

media: qcom: vidc: Add interconnect support for MSM8660

Herrie82 and claude committed yesterday

2ece7b1

📄 <>

interconnect: qcom: msm8660: Add links for HD codec ports

Herrie82 and claude committed yesterday

e1c2c50

📄 <>

docs: Update interconnect requirements with VPE and JPEG status

Herrie82 and claude committed yesterday

5cad93b

📄 <>

ARM: dts: qcom: msm8660: Add VPE and JPEG Gemini nodes

Herrie82 and claude committed yesterday

3cdfce7

📄 <>

media: qcom: gemini: Add JPEG Gemini driver for MSM8660

Herrie82 and claude committed yesterday

9119dff

📄 <>

media: qcom: vpe: Add Video Processing Engine driver for MSM8660

Herrie82 and claude committed yesterday

da52911

📄 <>

interconnect: qcom: msm8660: Add links for VPE and JPEG masters

Herrie82 and claude committed yesterday

01e0b1c

📄 <>

media: qcom: camss: Add interconnect support for MSM8660

Herrie82 and claude committed yesterday

70c90b0

📄 <>

interconnect: qcom: msm8660: Fix cross-fabric path resolution for MDP

Herrie82 and claude committed yesterday

731ebd8

📄 <>

docs: Clarify GPU/MDP interconnect status for HP TouchPad

Herrie82 and claude committed yesterday

b9d57b2

📄 <>

mmci: mmci: Add CRCI flow control support for QCOM ADM DMA

Herrie82 and claude committed yesterday

39a011f

📄 <>

docs: Update status report with touchscreen working

Herrie82 and claude committed yesterday

eb93a54

📄 <>

docs: Update touchscreen analysis with final working solution

Herrie82 and claude committed yesterday

e21ec82

📄 <>

Input: cy8ctma395: Fix touch calculation trigger for HP TouchPad

Herrie82 and claude committed yesterday

b9d0390

📄 <>

ARM: dts: qcom: tenderloin: Fix GPIO 71 pinctrl for touchscreen UART

Herrie82 and claude committed yesterday

e097635

📄 <>

🔗 Commits on Jan 12, 2026

Input: cy8ctma395: Add debug output for GPIO and UART

Herrie82 and claude committed 2 days ago

d469748

📄 <>

Revert "phy: qcom-usb-hs: Add qcom,vendor-init-seq" - breaks USB carrier

Herrie82 and claude committed 2 days ago

b71da9c

📄 <>

scripts: deploy-to-touchpad: Use tellbootie and clean logs  Herrie82 and claude committed 2 days ago	1fb7234		
scripts: initramfs: Save dmesg to persistent boot partition  Herrie82 and claude committed 2 days ago	a97e97e
