

A Google company

Before you continue to YouTube

We use [cookies](#) and data to

Deliver and maintain Google services

Track outages and protect against spam, fraud, and abuse

Measure audience engagement and site statistics to understand how our services are used and enhance the quality of those services

If you choose to "Accept all," we will also use cookies and data to

Develop and improve new services

Deliver and measure the effectiveness of ads

Show personalized content, depending on your settings

Show personalized ads, depending on your settings

If you choose to "Reject all," we will not use cookies for these additional purposes.

Non-personalized content and ads are influenced by things like the content you're currently watching, your location (ad serving is based on general location), and your activity on YouTube. Personalized content and ads are influenced by things like video recommendations, a customized YouTube homepage, and tailored ads. We use data about your activity, like the videos you watch and the things you search for on YouTube. We also use data to tailor the experience to be age-appropriate, if relevant.

Select "More options" to see additional information, including details about managing these settings. You can also visit [g.co/privacymenu](#) at any time.
