Product Information

Technical Details

Manufacturer	221-2411 / Wago
Product Dimensions	10 x 7 x 1 cm; 20 g
Part number	221-2411
Size	10 St.
Colour	Orange
Material	Plastic
Voltage	450 Volts
Item Package Quantity	1
Temperature Range	1E+2 Degrés Celsius
Plug profile	Mounting without suspension
Specification met	IEC
Batteries Included?	No
Batteries Required?	No
Spare part availability duration	Spare part information not available or provided

Additional Information

ASIN	B09ZRR5F5B

Totemiche

Juste ce qu'il me fallait, de manière sécurisée

Reviewed in France on 14 October 2025

Verified Purchase

J'ai testé une autre marque juste avant et je trouvais les contacts faibles.

Puis je me suis renseigné et tout le monde recommandait Wago et j'ai vite compris pourquoi : c'est simple à mettre en place, les liaisons entre fils gèrent, contrairement au précédent produit testé et c'est sécurisé.

Je suis donc pleinement satisfait et je peux dormir sur mes deux oreilles sans avoir peur d'un potentiel départ de feu. Désormais, j'investirai uniquement dans leur matériel pour mes futurs projets en électricité.

Rapide et facile à installer

Reviewed in France on 24 November 2025

Verified Purchase

Super pour raccorder un fil électrique à un autre! Nettement mieux que les traditionnels dominos et en plus bien plus sécurisé, tout en étant simple à faire.

Super für den Hausgebrauch

Reviewed in Germany on 23 December 2025

Verified Purchase

Als gelernter E-Monteur(1960) und Bastler gibt es immer etwas zu tun.Im Zusammenhang mit der Modernisierung meiner Beleuchtung (LED)bin ich auf die „Klappklemmen“ gestoßen.Anstatt über Kopf mit Listenklemmen und Mini-Kreuzschlitzschraubendrehern zu hantieren gibt es nichts BESSERES !

Der Erfinder sollte mit dem neuzuschaffenden NOBELPREIS für TECHNIK ausgezeichnet werden.
