Coming Soon To Early Access

The developers of this game intend to release as a work in progress, developing with the feedback of players.

Note: Games in Early Access are not complete and may or may not change further. If you are not excited to play this game in its current state, then you should wait to see if the game progresses further in development. [Learn more](#)

WHAT THE DEVELOPERS HAVE TO SAY:

Why Early Access?

“Slay the Spire requires a lot of player feedback so we can balance content, add quality of life features, and make sure the game runs without issues. Early Access is also a chance for us to test experimental features, try exotic designs, identify niche problems, and helps us make sure the game is headed in the right direction.”

About This Game

THE SPIRE AWAKENS

The ultimate roguelike deckbuilder returns!

For 1,000 years, the Spire lay dormant, its secrets buried and its horrors forgotten. Now, it has reopened, hungrier and more dangerous than ever, devouring all who dare to ascend.

New perils demand sharper strategies, relentless cunning, and unwavering resolve. Outwit the Spire's brutal trials and uncover the truths hidden at its peak.

Will you attempt the climb alone or enlist the aid of your fellow adventurers?

AN EVER-CHANGING SPIRE

Step into the newly evolved Spire, a twisted labyrinth teeming with strange and deadly foes. Adapt to an arsenal of brand new cards, relics, and potions, each offering game-changing possibilities—or dangerous consequences.

Climb the Spire with a new and returning cast of characters, each with their own cards, motives, and secrets.

No two climbs are ever the same. Unpredictable challenges and evolving strategies await those brave—or foolish—enough to ascend.
