With our 211 **partners**, we wish to store and access information on your devices (cookies, pixels in emails, etc.), combine and share your personal data with our partners, whether collected on this website or in our emails, already held by some of us, or obtained later, including in other contexts.

Processing this data (identifiers, browsing, preferences, purchases, loyalty programs, IP, postal addresses and emails, phone, precise geolocation, etc.) allows developing and offering you services, content, commercial offers and ads across your devices and screens (including by email, post, SMS, phone, audio, and video), personalising them, measuring their performance, and analysing audiences.

You can "accept all" and withdraw your consent at any time via the "cookie" icon. You can also "set detailed preferences" and object to processing activities not subject to consent. These choices remain valid for 13 months.

Diplômée

Par abalafac - 1

Aujourd'hui, mon diplôme arrive enfin. Euphorique, je le lis à haute voix. Je m'interromps quand je me rends compte que je ne suis apparemment pas dessinatrice paysagiste mais conductrice de chantiers. J'hésite entre harceler encore la fac ou me résigner à passer le permis bulldozer. VDM

Aujourd'hui, après plusieurs années d'effort, je valide mon master avec mention très bien. Ma mère m'a très sérieusement demandé quelle en était la discipline. VDM

Aujourd'hui, après m'être inscrit au casting de "Des chiffres et des lettres" pour déconner avec des potes, j'ai été pris. Ma grand-mère, très émue, m'a dit que c'était la première fois qu'elle était fière de moi. J'ai eu mon diplôme d'ingénieur et un CDI dans une grosse boîte, mais merci Mamie. VDM
