A Shot

@ashotmagazine

First look at 'BLADE RUNNER 2099' series, starring Michelle Yeoh and Hunter Schafer.

Set after a replicant uprising where humans lost and replicants now rule, the series follows Hunter Schafer as a human posing as a replicant, while Michelle Yeoh plays a blade runner hunting rogue replicants as she grapples with her own approaching expiration date.

The series retains the iconic noir atmosphere of previous Blade Runner installments, with Ridley Scott and Blade Runner 2049 co-writer Michael Green serving as consultants.

Premiering later this year on Prime Video.
